SLOWFASHION by Sandra Sanso

Eine kleine Slow-Fashion-Bekleidungs-marke, entworfen und produziert in Deutschland! Die Kleider bestehen aus biologischen und natürlichen Fibern! Slowfashion ist ein Lebensstil, der auf einem nachhaltigen Modell beruht!

Ich habe in drei Ländern gelebt (Italien, Spanien und Deutschland) und das gibt mir die Möglichkeit, mich

weiterzuentwickeln und eine umfassendere Vision zu entwickeln!

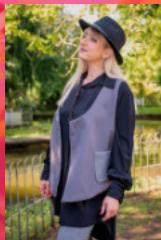

Bei Artikeln auf Anfrage benötige ich in der Regel ca. 3 Wochen, um alles zu erledigen und die Ware ab Ihrer Bestellung zu Ihnen nach Hause liefern zu lassen.

Ich berate Sie gerne die Farben und die Stoffe.

Un piccolo marchio di abbigliamento slowfashion, disegnato e prodotto in Germania! I capi sono creati a partire da fibre naturali! Lo slow-fashion è uno stile di vita che spinge verso un modello sostenibile!

Ho vissuto in 3 Paesi (Italia, Spagna e Germania) e questo

mi dà la possibilità di crescita e di una visione più ampia!

Per i capi su richiesta generalmente impiego circa 3 settimane per gestire il tutto e farlo consegnare a casa vostra a partire dal vostro ordine.

A little Slow-Fashion mark, designed and produced in Germany! The clothes are made of biologic and natural fibers! Slow-Fashion is a life style, that is based on a sustainable model.

I have lived in three different countries (Italy, Spain and Germany) and that gives me

the possibility to progress and to have a wider vision!

For the articles on request I need normally about three weeks in order to process your order and to delivery it to your home.

I'd be glad to help you with the choice of colors and fabrics.
